

# **HAREWOOD COMBINED TRAINING GROUP**

## **Club Evening/Lecture Demo – May 8 At Sara Ussher’s, Hawks Yard, Harewood**

Sara Ussher who is an equine behaviourist and trainer, will be demonstrating how Horses can learn good behaviour.

Sara qualified as a natural horsemanship instructor, but has now developed her training techniques to apply to riding our horses and competing them. She has studied how horses learn, and thus how we can give clear instructions for better performance and behaviour. She will also show how horses can unlearn bad behaviour, so we can suppress or delete problems.

Has trained with Andrew McClean, the trainer and advisor to the German dressage team.

The evening will use a guinea pig and her (or his) horse, beginning with working on the ground and then putting it together in the saddle.

Members £3

Non-members £6
